## Discover the Heart of Door County

Clustered along Highway 42 between Sturgeon Bay and Egg Harbor, the community of Carlsville is small in size but big in spirit. The Carlsville businesses offer some pretty amazing things for the entire family. Visit the county's oldest winery, where you can tour, taste and enjoy. Visit Door County's original Coffee Roastery where you can see beans being roasted and enjoy your favorite coffee drink. You can even tour a working farm where the corn maze attracts thousands of visitors each year. Experience specialty stores and restaurants. Carlsville Day Festival is the last Saturday in July and features a parade, tours, live music, a doggie contest, pie-eating contest and over 40 craft vendors.
